OVERNIGHT WILDERNESS ADVENTURE

With your trusty trail guide by your side, this is sure to be a weekend you will never forget!

You will make priceless memories while packing your horse and setting out on the journey of a lifetime.

SERIOUS HORSE TIME

Are you longing to hit the trail on horseback? This weekend offers countless hours of time to get to know and appreciate your new friend as you groom, saddle, and bridle your horse. All the while, you will be getting to know what it was like to spend your days out in the wilderness, with a horse as your constant companion.

MEMORY MAKING

Friday begins with a knot tying session where you will also learn how to pack your own bedroll for your expedition.

Saturday morning is filled with lots of horse time as you get acquainted with your mount! After lunch, we take all that we have learned and begin the trip by packing the packhorse with overnight supplies.

Once everything is ready to go, we head out on trail and make the trek to our campsite. There we will set up camp for the evening. With dinner cooked over the open fire and a night under the stars, you have the opportunity for countless memories!
